

TEEN BUSINESS & INNOVATION CAMP SUMMER 2014

**Forward Thinking Initiatives Is Back at MOSI !
4801 E. Fowler Ave., Tampa**

Be your own boss and make some real money this summer!

Teens entering 6th – 12th grade: Learn to become entrepreneurs, designers and inventors in these fun-filled, hands-on camps! Each camp module is unique, so young entrepreneurs can sign up for all four! The 9:00 am – 11:30 sessions will focus on the business skills specific to the camp's theme. The 12:30-3:00 sessions will be a creative innovation lab.

ART-repreneurship (How to become a professional in the Creative Arts)

June 16-20, 2014

Do you dream of becoming an artist, dancer, musician, film-maker or actor? Then, you need to be in this ART-repreneurship summer camp. When you have a career in the arts, it's not always obvious that YOU are the product. Even if you are a creative person, you must also have the business skills to become successful.

Toys and Games, Serious Business June 23-27, 2014

Teens will learn how the professionals create and sell toys and games. Create your own game and develop a business plan to see if you can sell it at a real toy and game fair this winter!

Location: Museum of Science and Industry 4801 E. Fowler Avenue, Tampa, FL 33617

Registration: \$250 per each half - day camp

Register before April 30th and receive a \$50. discount for registration for any 2 of the half-day camps.
